Re: Case No. 26-0075-E-CN  
NextEra Energy Transmission MidAtlantic, Inc.

Dear Ms. Blaney:

On January 30, 2026, NextEra Energy Transmission MidAtlantic, Inc. (“NEET MA”) filed an application (“Application”) with the Public Service Commission of West Virginia (“Commission”) for a certificate of public convenience and necessity pursuant to W. Va. Code § 24-2-11a (“Certificate”) authorizing the construction, financing, ownership, and operation of the West Virginia portions of the MidAtlantic Resiliency Link Project (“Project”). NEET MA is distributing a complete copy of its Application to certain information repositories, including the Monongalia County Commission.

Enclosed you will find two 3” binders four 4” binders that contain all the materials filed with the Commission. Please place these two binders in a safe, yet accessible, location where any member of the public may view them.

Please call with any questions or concerns. We appreciate your assistance in this matter.

Sincerely yours,

Christopher L. Callas
