If for any reason all of the funds hereinabove allocated for any one of the above enumerated purposes is not used for such purpose in any of such fiscal years, the unused portion of such funds may be allocated by The Board of Education of the County of Monongalia, in its discretion, and expended for any one or more of the other remaining purposes. No excess levy funds shall be allocated to public charter schools.

In the event The Board of Education of the County of Monongalia shall obtain money by grant or otherwise from the State or Federal Government, or from any agency of either, or from any other source including, but not limited to, additional assessments due to new construction or improvements to existing real property, including beginning recovery of natural resources, and newly acquired personal property, for any of the above purposes in any of said fiscal years, such additional money may be used either in substitution for or in addition to the funds received from such additional levies.

The additional levies shall be on Class I property, 16.75 cents; on Class II property, 33.50 cents; on Class III property, 67.00 cents; and on Class IV property, 67.00 cents.

Whenever, in any of said four (4) fiscal years any annual appraisal or general valuation of property produces property assessments that would cause an increase in the total property tax revenues that would be realized by the imposition of the foregoing levy rates, and which increase in property tax revenues would exceed the projected needed revenue for that year, The Board of Education of the County of Monongalia reserves unto itself as the levying body the right and authority to reduce such additional levy rates in such fiscal year. Nothing herein shall affect any special levy or levies for the retirement of bonded indebtedness.

Additional assessments due to new construction or improvements to existing real property, including beginning recovery of natural resources, and newly acquired personal property shall not be included in determining whether to reduce excess levy rates for any such fiscal year.

All according to the Order of The Board of Education of the County of Monongalia entered on the 16th day of December 2025.
